EDITORIAL

It feels like ages since we last had the privilege to see each other and to participate in a race together. This lockdown period has made me realised how much our club members mean to me personally. To be part of the Irene family over the last 24 years has always been very special to me. I treasure it even more now during the lockdown.

I am sure we all feel this way and that we will appreciate each other even more once things get back to normal.

ACHIEVEMENTS

Well done to all our members who have been able to run in their yards and on treadmills during the past few weeks. It takes a lot of guts to do it on a regular basis.

Congratulations to those members who have already completed the Irene Virtual race.

Danie Labuschagne, our walkers captain, has done more than 5000 laps of 70 meters during the lockdown period, incredible!

BLANKET PROJECT

Thank you to those members who have already contributed towards this worthy project. Please support it and make your contribution, any amount is welcome.

THOUGHT FOR THE WEEK

Action is the real measure of intelligence.

CORONA QUOTES

**Coronavirus has proved that
everything around us is so
temporary.**

Things our lives revolved around - work,
gym, malls, movies, society have all gone for a
toss as we are learning to live without them.

It has taught us that in the end, it's your
own home and family that keeps
you safe.
