EDITORIAL

Due to bad planning from AGN, this month's league race takes place on a Sunday. It is the Linton's Spring Race.

We want to encourage our members to participate if possible. We are still on top of the log and we want to maintain the position. As usual, there will be something to eat afterwards. Participants will also stand a chance to win a pair of running shoes worth R4000.

We also want to encourage our members to participate in the PvR Dorpsfees Night Race on Wednesday. It is on our doorstep. The race is organised by our own Fires van Vuuren.

Remember to book your tickets at https://store126837536.shop.netcash.co.za/products for the Chairman's Ball.

Please take note that the bar will be closed on Tuesday. Dave is out of town. You are welcome to bring your own drinks.

Notes

This program is a guideline that can be followed for whatever your goal is for the remainder of the year. It has the basic elements required in a training program. Contact us if you have a more specific requirement.
The general program leads up to 3 marathons later the year being Nelson Mandela Marathon, Kaapsehoop / Jacaranda Marathon. Since Cape Town is first our 12 week training program will start on 28 July. The other 3 programs will be a 14 and 15 week program.

It has been a long and cold winter / off-season. August is the month where most runners will come out and train again. Should you plan a marathon towards the end of the year, this is the month to start.
